'Berkshire Ballroom is a very well organised and professional company. We thoroughly enjoyed working with them and would like to thank them for all their support in organising what proved to be a hugely successful event.'

'Berkshire Ballroom offer dynamic, engaging and energetic dance classes. Their instructors are professional with the ability to communicate not only the basics but also the more complex requirements of dance with fun and enthusiasm.'

**Ian Davis** Commercial Manager

'Since discovering 'Berkshire Ballroom' we have thoroughly enjoyed learning to dance a fantastic range of Latin and Ballroom styles. It has been such a pleasure to be able to do something as a couple and it has enriched our lives and given us so much fun and pleasure. The level and standard of the teaching and instruction is superb and we just wish we had started to learn to dance years ago...'

**Dick Tee** Managing Director  
EnTEEntainment Ltd

'My 11 year old daughter and 12 year old son thoroughly enjoy coming to Berkshire ballroom for a weekly private lesson. In a matter of weeks they progressed so rapidly I can not believe they are the same children and they are now all fired up about doing ballroom grades and performing their dances at any opportunity to anyone who will watch. A huge thank you for giving them a passion they can grow up with and which I know will last a lifetime.'

**Theresa Cheung**

'The Invincibles very much enjoy Amy's classes; now we do all the right steps but not necessarily in the right order!'
